MEMORANDUM FOR: Mr. Frank A. Briglia
Acting Director of DDS&T/ORD

25X1A FROM : , SA/DDCI

SUBJECT : Articles on Terrorism by Walter Laqueur

Walter Laqueur is a friend of mine and has written widely on terrorism. I attach two of his articles. I have sidelined those paragraphs where he expresses some skepticism concerning the research approaches to the problem that some political scientists and psychiatrists have taken. Please return when you have finished with them.
